

CONSTRUCTION
Mechanical & Civil Contractor

Head Office: 3466/C, Sailakshmi, 15 Maad Kond, Veer Savarkar Marg, Mirya Road, Ratnagiri – 415612.

Mob.: 9158636465 | omconstruction1716@gmail.com

OM Construction promoted by **Mr. Hiraatsingh Ajaysingh Sisode(Rajput)** in the year 2000 having highly experienced in the field of Construction for past 18 years.

The company has grown steadily and enjoys its prominent position as **one of the best construction contractors**

OM Construction has maintained a wonderful reputation for our quality, safety and timely delivery, responsiveness and efficient labour management which is one of the critical factors attributing to success of any Company.

Our main capabilities are :

Having experienced technical staff and skilled workforce whom have worked with multiple projects of various areas of operations.

Consultants with full understanding of their technical requirements and specifications.

Having executed challenging projects and critical shutdown jobs within stipulated delivery schedule.

Maintaining highest standards in Quality & Safety consciousness while on work.

Our Vision

To continue to generate a strong financial return and create a high class construction company with a particular focus in above fields and new venture of entering Power sectors by acquiring own resources in terms of machinery, tools and tackles, etc.

Our Growth Plan

To include highly professional project management team in terms of engineers, managerial level staffs which will further strengthen our position in the market and moreover realization of our vision and objective will be for sure.

Quality Policy & Objectives

Achievement of Quality Policy involves all staff, who are individually responsible for the quality of their work, resulting in a continually improving working environment for all.

The objectives of the Quality Assurance System are:

- 1) To maintain the effective Quality Assurance System complying with International Standards ISO 9001 (Quality Systems)
- 2) To achieve and maintain the level of quality which enhances the Company's reputation with customers/clients.
- 3) To ensure compliance with relevant statutory and safety requirements.
- 4) To endeavor, at all times, to maximize customer/client satisfaction with the services provided by OM Construction
